Recruitment, Selection and Disclosures Policy and Procedure

This policy relates to all sections of St Joseph's College, including the Early Years Foundation Stage.

Introduction

St Joseph's College is committed to ensuring the best possible environment for the children and young people in its care. Safeguarding and promoting the welfare of children and young people is our highest priority.

The College aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

All queries on the College Application Form and recruitment process for academic staff must be directed to the HR Coordinator.

This policy should be read in conjunction with the Recruitment of Volunteers Policy.

Scope of this Policy

The Recruitment, Selection and Disclosures Policy and Procedure herewith refers and applies to staff directly recruited and employed by the College. In the Education (Independent Schools Standards) (England) Regulations, staff are defined as:

Any person working at the School whether under a contract of employment, under a contract for services or otherwise than under a contract, but does not include supply staff or a volunteer;

In the case of agency or contract workers, the College shall obtain written confirmation from the agency or company that it has carried out the appropriate checks. The College conducts identity checks on agency and contract workers on arrival in school and, in the case of agency workers, which includes supply staff, the College must be provided with a copy of the DBS check for such staff.

Any staff who TUPE transfer into the College, will be required to undertake the statutory requirements with regard to safer recruitment checks.

The Visiting Speaker Policy outlines the procedures for visiting speakers.

Application Form

The College will only accept applications from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms.

The College will make candidates aware that all posts in the College involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

As the position for which candidates are applying involves substantial opportunity for access to children, it is important that applicants provide the College with legally accurate answers. Upfront disclosure of a criminal record may not debar a candidate from appointment as the College shall consider the nature of the offence, how long ago and at what age it was committed and any other relevant factors. Information should be submitted in confidence enclosing details in a separate sealed envelope which will be seen and then destroyed by the Headmaster. If candidates would like to discuss this beforehand, they are asked to please telephone in confidence to the Headmaster for advice.

"Protected" convictions and cautions are not included in a DBS certificate and job applicants are not required to disclose them during the recruitment process. Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the position. Additionally, successful applicants should be aware that they are required to notify the College immediately if there are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare.

The Childcare (Disqualification) Regulations 2018 apply to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The College takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the Headmaster, Deputy College Head Prep or the Bursar immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive.

Staff and/or successful candidates who are disqualified from childcare or registration, may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Headmaster, Deputy College Head Prep or the Bursar for more details.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify a candidate for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

The College has a legal duty under section 26 of the Counter-Terrorism and Security Act 2015 to have 'due regard to the need to prevent people from being drawn into terrorism'. This is known as the Prevent duty. Schools are required to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. Accordingly, as part of the recruitment process, when an offer is made the offer will be subject to a Prevent duty risk assessment.

If the candidate is currently working with children, on either a paid or voluntary basis, the College will ask their current employer about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If the candidate is not currently working with children but has done so in the past, the College will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the College will still ask the current employer about the candidate's suitability to work with children. Where the candidate has no previous employment history, the College may request character references which may include references from the candidate's school or university.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the College if they have been appointed, and a possible referral to the police and/or DBS.

Invitation to Interview

The College will short list applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. Short-listed applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

All formal interviews will have a panel of at least two people chaired by the Headmaster, Deputy College Head Prep, Bursar or another designated senior member of staff. It is recommended best practice that at least one person on the appointment panel will have undertaken safer recruitment training.

The Chair of Governors will chair a panel of at least half the Governors for the Headmaster's / Bursar's appointment. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should withdraw from the panel. Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

The interview will be conducted in person or remotely through video conferencing, and the areas which it will explore will include suitability to work with children.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

The College requests that all candidates invited to interview also bring with them:

- A current driving licence including a photograph or a passport or a full birth certificate;
- A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
- Where appropriate any documentation evidencing a change of name;
- Proof of entitlement to work and reside in the UK.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Candidates with a disability who are invited to interview should inform the College of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

Conditional Offer of Appointment: Pre-Appointment Checks

Any offer to a successful candidate will be conditional upon:

- Receipt of at least two satisfactory references (if these have not already been received);
- Verification of identity and qualifications including, where appropriate, evidence of the right to work in the UK;

This applies to all Governors, Senior Management Team and teaching heads of department;
- For a candidate that has lived or worked outside the UK, the College will make further checks that are appropriate so that any relevant events outside the UK can be considered. These checks could include, where available, but are not restricted to:
 - Criminal records checks
 - Obtaining a letter of professional standing from the professional regulating authority in the country in which the candidate has worked

It is the College practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the College in strictest confidence. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, layout of the College.

The College is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

References

The College will seek the references referred to in section 5 above for shortlisted candidates and may approach previous employers for information to verify particular experience or qualifications, before interview. If the candidate does not wish the College to take up references in advance of the interview, they should notify the College at the time of applying.

The College will ask all referees if the candidate is suitable to work with children.

The College will compare any information provided by the referee with that provided by the candidate on the Application Form. Any inconsistencies will be discussed with the candidate.

If a candidate is offered the position, the referee will be contacted to verify they completed the reference.

Criminal Records Policy

The College will refer to the Department for Education ("DfE") document, 'Keeping Children Safe in Education' and any amended version in carrying out the necessary required DBS checks.

The College complies with the provisions of the DBS Code of Practice, a copy of which may be obtained on request [or accessed here:

<https://www.gov.uk/government/publications/dbs-code-of-practice>].

There are limited circumstances where the College will accept a check from another educational institution which are as follows:

Where the new member of staff ("M") has worked in: -

- A school or a maintained school in England in a position which brought M regularly into contact with children or young persons;
- A maintained school in England in a position to which M was appointed on or after May 2006 and which did not bring M regularly into contact with children or young persons; or
- An institution within the further education sector in England or in a 16 to 19 Academy in a position which involved the provision of education or which brought M regularly into contact with children or young persons,

during a period which ended not more than three months before M's appointment.

Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the College. The College will report the matter to the Police and/or the DBS if:

- the College receives an application from a disqualified person;
- is provided with false information in, or in support of an applicant's application; or
- the College has serious concerns about an applicant's suitability to work with children.

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the College will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;

- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
