ISI INSPECTION REPORT

The start of a child's learning journey should be positive, well structured, guided, and enjoyable. In the Early Years Centre, we are a warm, caring and vibrant community, where individuality is valued and intellectual curiosity is nurtured and encouraged.

We combine term time teaching with year round holiday care, all provided by a team of dedicated, Early Years trained professionals.

Do take the opportunity to arrange a visit or book a place at our monthly Stay & Play taster sessions for pre-school children to get a taste of what we can offer. We look forward to meeting you personally and extending a very warm welcome to our community.

Open Mornings are held on a regular basis, please check www.sjcr.org.uk for further information and dates
