## Message from the Head, Mrs Laura Stotesbury

Thank you for your interest in St Joseph's College. I am delighted that you are considering our school and I trust that this recruitment pack will provide you with the information you require both about the post and the College.

I believe that this is an exciting time to be joining St Joseph's College. There has been a significant growth in the pupil roll over the last few years and the governors are continually looking to invest in the facilities. There is a real appetite for what we have to offer as both an educational establishment and an employer.

The College seeks to be a school which places an emphasis on providing an all-round education: academic, pastoral, social and spiritual, where pupils develop the attributes of commitment, collaboration, confidence, communication and compassion through the various aspects of school life. The College is a very happy place, and colleagues enjoy teaching here.

I hope that you will want to apply for this post. I recognise that much time and thought goes into preparing an application and we, in turn, will give your application serious consideration.

Mrs Laura Stotesbury  
Head

## About the Department

The Computer Science department is a small friendly department currently consisting of the Head of Technology (ICT\CS\Electronics), a specialist Computer Science teacher and, if required, non-specialists are used.

Over the last five years the teaching of ICT and Computer Science has grown significantly within the school. The time allocated to CS\ICT in Years 7 to 9 has been increased and the number of students taking both CS and ICT GCSE has increased significantly.

We teach both Computer Science and ICT skills at key stage 3 and offer students the choice of an iGCSE in ICT, Computer Science and/or Electronics. The students gain excellent skills in using computers. A Level Computer Science is also taught.

In 2021, 82% of students achieved a grade 6 or above in ICT iGCSE and 80% achieved a grade 6 or above in CS. At A Level 100% of students achieved a grade C or above, with one student achieving an A grade.

The school currently has two ICT suites, with i5 Computers equipped with 16Gb RAM. The computers are running Windows 10 with Office 365 and Creative Cloud software as well as specialist subject specific software. There are also computers located in other departments including Technology, Music, Graphics and the Library. We have an excellent site wide wireless network and fast internet connectivity. Our servers and IT infrastructure have recently been upgraded to offer a reliable and redundant solution. We have a bring your own device policy for students and they can install Office 365 with their school license.

All members of the department contribute to curriculum development and installing a love and the skilled use of computer technology by the students. Many pupils attend the lively and successful STEM Club. Computer Science students participate and have excelled in a national competition called Cyber Centurion, which is a networking, defence and cyber-security challenge.

## Duties and Responsibilities

To be an effective professional who demonstrates thorough curriculum knowledge, can teach and assess effectively, take responsibility for professional development and has pupils who achieve well. Members of staff are expected to comply with any reasonable request from a manager to undertake work of a similar level that is not specified in this job description.

## About the College

St Joseph's College is the leading independent day school for boys and girls aged 3 to 18 in Berkshire. It is fully co-educational and consists of the Senior School (ages 11 to 18) and the Prep School (ages 3 to 11). The Senior School and Prep School are located within a single campus.

### Awards

The College has won several awards over the last two years including TES Independent School of the Year, Outstanding Progress at the Education Business Awards and Outstanding Leadership Team at the Leadership Awards.

### Ethos

St Joseph's is a Catholic school welcoming pupils of every faith or no faith. Pupils are educated in an atmosphere where Christian values and standards are recognised and established. The size of our classes means everyone receives the individual guidance and support they need to achieve their potential. Staff, pupils and parents form strong links, with a focus on both the academic progress and the well-being of each pupil. We encourage all pupils to develop an awareness of their own role in society.

### Points of Entry

The main points of entry to the school are at age 3, 11, 13 and 16. Entry into the Senior School is by formal assessment, and around 60% of applicants to the Senior School are from maintained primary schools.

### Leavers' Destinations

The majority of Sixth Form leavers go on to their choice of university to study a diverse range of subjects. Examination results are strong and improving year-on-year, however our focus is very much on producing young adults who also have skills for life such as confidence, social skills and a good understanding of the world around them.

### Recent Developments

During the past six years the Governors have taken a number of measures to develop the College. In addition to becoming co-educational these include an emphasis on marketing and a substantial investment in facilities, buildings and staff. Consistently rising pupil numbers provide momentum for growth and the confidence to make further investment.

### The Future

Looking to the future, St Joseph's will continue its ambitious plans to enhance and develop the College. However, we will ensure that as we grow, our caring ethos remains at the heart of the College. The warm and friendly nature, together with the way pupils display concern and respect for one another, are often commented upon by visitors and parents. We are proud of this and it is one of the most rewarding aspects of working here.

## Our Missions and Aims

At St Joseph's, our mission is to encourage, inspire, challenge and support pupils to fulfill their potential in a community founded on Christian values.

We aim to develop life skills of commitment, collaboration, confidence and communication in each pupil, throughout each of their years at the school.

The College was inspected by ISI in February 2014

### The main findings of the report states:

- Attainment is generally high in relation to pupils' abilities
- The curriculum plan provides pupils with a rich learning experience
- Teachers know their pupils well and offer care, support and guidance which is greatly appreciated by pupils and parents
- The personal development of all pupils throughout the College is excellent
- The relationships between staff and pupils and amongst the pupils themselves are friendly and supportive
- The Senior Leadership Team share a clear vision for future development

## Why St Joseph's?

At St Joseph's we offer:

- A safe and happy environment in which academic and social skills are developed
- Education for boys and girls from age 3 to 18
- A varied curriculum and excellent facilities
- A strong sense of community
- High academic reputation
- Wide range of extra-curricular activities including a strong tradition of music and drama

St Joseph's is staffed by teachers who combine the best in traditional educational values with a sharp awareness of what is appropriate for pupils who need to be prepared for the twenty-first century. Our pupils are encouraged to be confident, questioning, independent learners, whilst at the same time developing a moral and spiritual sense of purpose in their lives and in their studies.

### Salary

The College has its own salary scales, with starting salaries dependent on the experience and qualifications of the successful candidates. Salary scales are reviewed annually by the Governors, to ensure they remain competitive. Annual salary is paid by bank transfer on the last working day of each month, in 12 equal monthly instalments.

## Non-contractual benefits

### School fee reduction

Staff at St Joseph's College are eligible for a staff discount on basic tuition fees of 50% for full-time staff, pro rata for part-time staff, subject to their child(ren) meeting the entrance requirements.

### Childcare vouchers

St Joseph's participates in the government's salary sacrifice childcare voucher scheme. Further details are available from the Bursar's office.

### Cycle to work scheme

The school allows staff with an employment contract for 12 months or more to purchase a bicycle through this scheme. Further details are available from the Bursar's office.

### **Pension**

The College pays its teachers a total remuneration package which provides teachers with flexibility in determining the level of contributions paid into their pension. This provides staff with the option to increase their take home salary by reducing their total pension contribution (employer and employee) or vice versa.

All teachers are automatically enrolled into the College defined contribution pension scheme – the Aviva Pension Trust for Independent Schools (APTIS).

The pension scheme includes:

- Employer contributions matched to Employee contributions. The limiting factors are simply the individuals' salary and statutory limits. Contributions can be varied annually by staff to meet changing circumstances as required.
- An Employee Assistance Programme provided by Care First.

Further literature on the APTIS scheme, together with examples about how the level of pension contribution can be varied, is available from the Bursar.

### **Drinks and snacks**

Tea, coffee and biscuits are available to all staff at break time, and there is access to hot drinks throughout the day. Snacks and light meals are provided to staff when working later in the evening for school events.

### **Lunch**

A duty meal may be obtained from the Dining Hall between 12.00pm and 2.00pm.

### **Laptop**

Teaching staff are loaned a school laptop to assist with their teaching and administration, and docking stations are available throughout the school.

### **Use of a private vehicle**

Subject to a journey being approved by the Bursar or Headmaster, staff can use their private vehicle for school journeys during working hours. The insurance will be under the school's insurance and staff can claim for mileage.

### **Car parking**

All staff may park in the school car park, subject to the availability of a space. A valid school parking permit must be displayed clearly on the windscreen of any car parked onsite.

### **Counselling**

Staff have access to a 24 hour telephone counselling helpline. In addition, the lay chaplain or visiting school counsellor may be able to see staff.

### **Legal advice**

Staff have access to a 24 hour legal information telephone helpline, covering issues such as consumer rights, debt, tax and personal injury.

### **Healthcare helpline**

A telephone based healthcare support service is available to all staff at no cost.

### **Swimming pool**

Staff are permitted to use the school swimming pool during designated staff swimming sessions.

### **CPD and training**

Professional development is nurtured and encouraged, and the school has a full annual INSET programme. There is strong support for new teaching staff. Newly qualified teachers can undertake their accredited NQT year through the Independent Schools Council programme and a number of members of staff have completed teaching qualifications whilst employed at St Joseph's.

### **Staff Room**

There is a professional, friendly and supportive Staff Room, together with departmental workspaces throughout the school.

The above non-contractual benefits are currently available to staff. They are at the discretion of the Governors who reserve the right to withdraw them without notice.

## Appointment Procedure

- Applications will only be accepted from candidates completing the College Teaching Application Form in full, accompanied by a covering letter.
- The covering letter should illustrate specifically why you think you should be considered for this role, giving clear evidence of how your skills and experience meet the requirements of the role. You should give clear examples, and relate these to the job description and person specification.
- These should be emailed to [recruitment@sjcr.org.uk](mailto:recruitment@sjcr.org.uk) or alternatively sent by post to Mrs Guest, HR Coordinator, St Joseph's College, Upper Redlands Road, Reading, Berkshire RG1 5JT. Electronic application is encouraged and preferred.
- **The closing date for applications is 9am on Monday 23 May 2022 and interviews will take place week commencing 23 May. Applications will be reviewed upon receipt and we reserve the right to close the vacancy early.**
- All offers of employment are subject to the receipt of two satisfactory references, one of which must be from your current or most recent employer. For shortlisted applicants for teaching posts, references may be taken up prior to interview.
- St Joseph's College employs personnel who are best qualified for the post without discrimination in respect of age, disability, race, gender or native origin.
- The College is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.
- Successful applicants must undergo child protection screening, including checks with past employers and the Disclosure and Barring Service.
- A copy of the College Recruitment, Selection and Disclosures Policy and Procedures can be found on the College website: <https://www.sjcr.org.uk/>

# Interview Process

- All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.
- During your visit you should expect to attend a number of interviews with different members of staff. We will also assess your suitability to work with children.
- You will also be required to teach a lesson which will be observed. You will be provided with a brief for the lesson beforehand.
- In addition to formal interviews there will also be an opportunity for shortlisted candidates to tour the College and to meet prospective colleagues.
- The College requests that all candidates invited to interview also bring with them:
  - A current driving licence including a photograph, a passport and a birth certificate
  - A utility bill or financial statement issued within the last three months showing the candidate's current name and address
  - Where appropriate any documentation evidencing a change of name
  - Proof of entitlement to work and reside in the UK

*Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.*
