Supervision of Pupils Policy

This policy relates to all sections of St Joseph's College, including the Early Years Foundation Stage.

Introduction

St Joseph's College recognises and accepts its responsibilities to ensure, as far as is reasonably practicable, the health, safety and welfare of its staff, pupils and visitors. The College takes the following steps to ensure the supervision of pupils.

College Hours

Pupils should not be in College before 7.45am as they will not be supervised, unless they are part of a staff supervised activity such as a peri music lesson. The Dining Hall will open for breakfast at 7.45am; the Senior Library opens at 7.45am and the Prep pupils are supervised in the playground from 8.00am. Pupils should not be in College after 6.00pm unless they are being directly supervised by a member of staff. Pupils are not allowed on site without supervision.

Supervision outside of lessons

At least two members of staff are always on duty in both the Prep and Senior Schools in order to supervise pupils. The staff duty rota is displayed in the Staff Common Rooms.

All duties are carried out by members of the teaching staff and assistants. In addition, Lunchtime Assistants are employed in the Prep School to help supervise at lunchtimes.

In the EYFS outdoor area, at least two members of staff are always present during playtimes.

Risk assessments are regularly carried out to ensure safety for all areas.

A member of the Senior Leadership Team is always on duty from 7.45am to 6pm.

The main duty times are:

Breakfast (7.45am – 8.00am)

Early morning duty (8.00am - 8.20am)

Break duty

Lunch-time duty

After-school duty (3.40pm - 4.00pm)

Arrangements are made to ensure pupils are supervised during events that bring small groups into school out of hours, e.g. play and concert rehearsals. Members of the PE Department supervise pupils on both home and away matches.

Pupils from Years 12 and 13 may leave the premises at lunch-time. Pupils from other year groups are expected to remain on site throughout the school day.

Registration

We take a register of pupils at the start of the morning and afternoon sessions. Parents are responsible for notifying the school if their child is absent for any reason. The school will always contact the parent if a child fails to arrive at school without an explanation.

Lessons

During lessons, the supervision and safety of pupils in classrooms, laboratories and workshops is the responsibility of class teachers. If for any reason (e.g. the conditions or location of equipment, the physical state of the room or the splitting of a class for practical work) teachers consider they cannot accept this responsibility, they should immediately discuss the matter with their Head, one of the College Deputy Heads or the Bursar.

Peripatetic Lessons

Pupils in Year 2 and under will be accompanied to their individual lessons by a member of staff. Pupils in Years 3– 13 will be able to attend their individual lessons without the need of being accompanied.

EYFS Pupils

- The safety of all children is our highest priority, and because they are so young, we need to be particularly vigilant. We will therefore:
- In the Acorns Centre we will ensure a staff ratio of 1:13 when a qualified teacher is present, and 1:8 when the teacher is not present. Staff ratios will satisfy the statutory qualification requirements. Exceptionally, where the quality of care and safety and security of children is maintained, changes to the ratios may be made.
- Ensure adequate supervision of children when they are eating
- Only allow a child to go home with a parent, unless we have received advance permission that he or she may be collected by another adult
- Never allow a child to leave the premises unsupervised.

- There is always at least one adult in charge of the outside play area - which is fenced off from the rest of the school
- Ask all visitors to identify themselves and to state their business before we give them access to the Acorns Centre. Visitors sign in, wear security badges and are escorted throughout their visit. They sign out on leaving
- Check all pupils out as they are collected by their parents or carers

Medical Support

A number of members of the teaching staff and non-teaching staff are trained and qualified as First Aiders and are able to give emergency first aid. The names of First Aiders are published in first aid notices that are displayed around the school. We always make sure that a qualified paediatric first aider is on duty whilst our EYFS children are in school. First aid boxes are in all potentially high risk areas, as well as in the School Office/Finance Office/Medical Rooms.

Supervision whilst travelling to and from School

Parents are responsible for ensuring that their children travel safely to and from school. Pupils are not supervised by a member of staff when travelling on the school buses; but are expected to behave responsibly. We would always investigate complaints about poor behaviour. Prep Staff escort and supervise Prep pupils until the school buses depart.

Educational Visits

The arrangements for the supervision of pupils during educational visits and trips out of schools are described in our policy: "Educational Visits."

Unsupervised access by Pupils

Pupils are not allowed into the swimming pool without a qualified member of staff in charge, nor are they allowed to use gymnastic, athletic or climbing equipment without supervision. Pupils are expected to follow reasonable instructions given to them by teachers or by qualified leaders in adventurous activities.

We ensure that pupils do not have unsupervised access to potentially dangerous areas, such as the swimming pool and the science laboratories. Doors to these areas are kept locked at all times when not in use. All flammables are kept securely locked in appropriate storage facilities.

Pupils do not have access to the Grounds, Maintenance, Catering and Caretaking areas of the school. Clear signs are displayed.

Security, Access Control and Workplace Safety

Our policy: "Security, Access Control Workplace Safety and Lone Working" describes the arrangements for safety of the College.

Staff Induction

All new members of the teaching staff receive a thorough induction into the College's expectations of the appropriate levels of pupil supervision. Guidance is given on areas within the buildings and grounds that should be regularly checked when on duty outside normal lesson times, and is available in the staff handbook.
